

Test your knowledge of the *PMBOK® Guide*—Third Edition with

Q & As for the PMBOK® Guide Third Edition...

Q: *Q & As for the PMBOK® Guide Third Edition* contains which of the following attractive features?

- A. A straightforward question-and-answer format, consisting of 200 multiple-choice questions that cover key project management themes, concepts of the project management framework and the nine project management Knowledge Areas in *A Guide to the Project Management Body of Knowledge (PMBOK® Guide)*—Third Edition.
- B. Questions that are both derived from and categorized by the *PMBOK® Guide*—Third Edition, and an answer section with referenced page numbers and relevant quotations from the popular standard, to help enhance your breadth and depth of knowledge in a specific area.
- C. Alignment with the new *PMBOK® Guide*, making it an ideal preparatory text for those taking the Certified Associate in Project Management (CAPM®) Examination.
- D. A pocket-size format, that makes it a convenient read for the mobile professional.

A: All of the above!

This convenient accessory to the *PMBOK® Guide* may be small, but it is packed with useful questions, answers, and other information to help you prepare for the CAPM® Examination.

open doors...*

Q: What do the CAPM Examination and *Q&As for the PMBOK® Guide Third Edition* have in common?

A: They are both based on the *PMBOK® Guide*—Third Edition, the de facto global standard for project management. So, when you purchase *Q & As for the PMBOK® Guide Third Edition*, you gain access to much of the information covered by the CAPM Examination.

Earning the CAPM credential is significant. It can often mean catapulting a career in project management, by means of increased earnings, a promotion or both. With so much at stake, you'll want the proper “tool” for exam preparation - and *Q & As* is that tool. No aspiring team member can afford to be without this handy, informative text!
